CAAN FLORAL & GREENHOUSE LANDSCAPE DESIGN SERVICES

Caan Floral & Greenhouse has been designing and installing beautiful landscape designs for years that enhance and increase the value of your home. With the right design, a mediocre yard can be transformed into an attractive, comfortable, and practical outdoor living space. There are many factors to consider when evaluating your landscaping needs, preferences and finally your goals. Our services will blend your dreams with proven plants, methods, and materials, in order to create a landscape you can enjoy for years to come.

STEP 1: Complete a Landscape Design Survey and measure the important dimensions of the area to be landscaped to enable our designers to help with your special needs.

- **Any other special considerations?**
- **Include pictures of area to be designed.**

STEP 2: Select a **Design Package** that fits your needs and landscape budget.

DESIGN PACKAGES

PACKAGE A- Quick Design Sketch

No charge.

If you need help designing a small compact area like an island bed or one side of a foundation, this is the package for you.

* **No charge, no appointment**

* **You bring in a bird's eye view sketch of the area and a picture is also desirable.**

* **Our designers will draw a quick sketch with recommended plant varieties. (15 minutes)**

**We recommend visiting Caan's on a weekday to allow our landscape professionals to best serve you without interruptions.*

PACKAGE B- On Site Consultation with No Design

\$50.00

A landscape designer will visit your property and give advice or assessment of environmental conditions and/or evaluation of a plant (tree, shrubs, flowers, etc.) specimen. This service is often used for disease assessment or drainage challenges.

* **\$50.00 consultation fee, areas beyond Sheboygan include an additional fee**

* **Appointment necessary.**

* **1 hour or less consultation time**

* **No design is produced.**

**Our designers and consultants will schedule on-site consultations weekdays and nights Monday-Wednesday.*

PACKAGE C- Greenhouse Consultation with Small Sized Area Design Plan

\$100.00

This design option is for a small sized area like a foundation bed, a slope, or perhaps a part of your backyard. You provide a scaled layout and picture(s) of the area to be designed. Appointments are required for the initial consultation and plan presentation. Most appointments are made during the week.

* **No on site visit.**

* **1 hour initial consultation to discuss Landscape survey and area to be designed.**

* **1 hour – Time required to design landscape plan.**

* **1 hour- design plan presentation and discussion.**

* **Detailed plan with a list of plants, materials and cost will be given to the customer.**

PACKAGE D- On Site Visit + Consultation + Medium Area Design Plan

\$150-200.00

This package is for a medium sized area like a front or back yard. Our designer will come out to your property and look over the site and discuss with you your wishes and concerns. We will also take all necessary measurements and photos. Appointments are required for the initial site visit and plan presentation. Most appointments are made during the week.

* **On site visit to take measurements and pictures and assess environmental conditions.**

* **1 hour initial consultation to discuss Landscape survey and area to be designed.**

* **1 ½ -2 hours – Time required to design landscape plan.**

* **1 hour- design plan presentation and discussion.**

* **Detailed plan with a list of plants, materials and cost will be given to the customer.**

**50% of the design fee will be credited towards purchase of at least \$1000.00 worth of design materials purchased at time of presentation.*

PACKAGE E- On Site Visit +Consultation + Master Design Plan**\$300.00-500.00**

This plan is a master plan covering your entire property, and considers all site conditions along with your needs and desires. We will visit your site and take all necessary measurements and photos of your property to evaluate the environmental conditions. We will provide a detailed plan that you can implement all at once, or in stages, according to your time and budget. Appointments are required for the initial site visit, preliminary plan approval, and final presentation. Most appointments are made during the week

*** On- site visit to take measurements and pictures and assess environmental conditions.**

*** 1 hour initial consultation to discuss Landscape survey and area to be designed.**

*** 3-5 hours – Time required to design Master Landscape plan.**

*** 1 hour -consultation to discuss preliminary master landscape plan.**

Upon approval a final detailed plan will be drawn up.

*** 1 hour- final Master Design Plan presentation and discussion.**

*** Detailed Master Design Plan with a list of plants, materials and cost will be given to the customer.**

**50% of the design fee will be credited towards purchase of at least \$1000.00 worth of design materials purchased at time of presentation.*

SITE PLANNER DIRECTIONS

*To facilitate a design, we ask that you produce a bird's eye view of your property. Please enter all measurements of your home and the area you want a design made for. Please specify the following on the sketch: **directions (North, South, East, West), utilities (gas meter, phone lines, cable), down spouts, air conditioning units, dryer vents, doors, windows, steps and sidewalks.** Also, draw in any relevant existing trees and shrubs in scale to the house as well as major slopes and direction of drainage.*

1 square = 1 foot on graph paper

1 inch = 8 feet

*** graph paper in light green or gray**
