

# 2023 Spring Fundraiser Program

Caan Floral is excited to continue its tradition of working with local schools, churches, and other organizations to help meet their fundraising goals. Our Spring fundraiser offers a variety of premium quality, locally grown spring annuals, vegetables, perennials, hanging baskets and planters that are sure to please any plant lover. For those who may have something else in mind other than plants, we also offer the option of gift cards that can be used to purchase anything in the store, and it never expires!

We have offered our popular voucher program for many years now and have most of our local groups using this convenient option. It has proven to be the best option for most groups. You will earn the most profit and it is much less work for your organization. Your group will distribute the purchased vouchers which will then be redeemed directly at Caan Floral. Your buyers will have the freedom to hand-pick their own perfect plant with the added convenience of selecting it at their convenience.

Given the growth and popularity of the voucher program and the added benefits for your organization, the delivery program requirements are as follows for 2023. To be eligible for the delivery program, your organization's fundraiser total must meet/exceed \$2,500, not including the \$60\* delivery fee. The plants ordered will then be picked and delivered to your organization for you to distribute. We do still offer the option that you can pick up your order without any qualifiers. All pick up orders must be picked up in full.

*\*Delivery fee is for Sheboygan County – further distance will increase delivery fee.*

The programs are designed to be simple and easy to manage. Decide which program works best for your organization and then let us know! We prefer you to charge our suggested selling price (following our retail price in our store), but you can adjust pricing to make it more profitable for your organization. We charge you according to the program you select. The difference is the PROFIT YOU KEEP!
