

Holiday Fundraising 2023

Why partner with Caan Floral for fundraising?

Caan Floral would like to partner with your organization to meet the financial challenges facing non-profit groups. Our Holiday Fundraising Program offers healthy and lush, florist-grade poinsettias, which are grown locally in our greenhouses. We also offer a variety of Holiday Greenery as another option to attract more customers to your fundraisers, in addition to Caan's Fundraiser Gift Cards!

We **only** offer our convenient Voucher Program for the Holiday Fundraiser. With this Voucher Program, your organization will sell the product and in return, receive a voucher to present to your customers for that product. Your customers can then redeem their voucher(s) at Caan Floral, at their convenience and choose their own product. This Voucher Program eliminates the cost of delivery for you, as well as the time to organize and execute a pick-up date for your customers.
