

# 2026 Spring Fundraiser Program

We, at Caan Floral, continue our tradition of working with local schools, churches, and other organizations to help meet their fundraising goals. Our annual Spring fundraiser offers a variety of premium quality, locally grown spring annuals, vegetables, perennials, hanging baskets and planters that are sure to please any plant lover. For those who may have something else in mind other than plants, we also offer the option of gift cards that can be used to purchase anything in the store, and those gift cards never expire!

This year we are offering our new Fundraiser Plant Gift Card Program. This program will run the same as our voucher program did, except you will be receiving specific gift cards for the items instead of vouchers. Your buyers can redeem their plant gift cards the same way and will have the freedom to hand-pick their own perfect plant with the added benefit of selecting it at their convenience.

Given the growth and popularity of the Plant Gift Card program and the added benefits for your organization, the delivery program requirements are as follows for 2026. To be eligible for the delivery program, your organization's fundraiser total must meet/exceed \$2,500 minimum, not including the \$60\* delivery fee. The plants ordered will then be picked and delivered to your organization for you to distribute. We do still offer the option that you can pick up your order without any qualifiers. All pick-up orders must be picked up in full.

*\*Delivery fee is for Sheboygan County – further distance will increase delivery fee.*

These programs are designed to be simple and easy to manage. Decide which program works best for your organization and then let us know! We prefer you to charge our suggested selling price (following our retail price in our store), but you can adjust pricing to make it more profitable for your organization. We charge you according to the program you select. The difference is the PROFIT YOU KEEP!

## How to Participate in the Plant Gift Card Program:

- To participate, you must complete and turn in the participation form to Julie at Caan Floral (drop off or email) as soon as you can!

- **Payment, in full, is due upon pick up of your organization's gift cards.**
  - **Payment will be accepted in cash, credit card, or one check from the organization.**
- Plant Gift Cards are redeemable at any time. Peak availability for products/colors is between May 1 and May 31. Redeem early for the best selection! Please make sure your customers are aware. These gift cards do not expire!
